

Servicing and Repairs

AUTO SERVICES
RAC members are happier

We offer three levels of servicing and provide general mechanical repairs including: Blue (minor) Gold (major) & Log book servicing.

Items	Blue Service	Gold Service
Safety check	✓	✓
Vehicle inspection	✓	✓
Internal and external vehicle check	✓	✓
Advance tune up, including spark plug change		✓
Rotate and balance tyres		✓
Extensive 'underbody' check		✓
Wash and vacuum	✓	✓

Why choose a Gold service over a Blue Service?

The RAC Gold service is an extensive service and more checks are included (see above chart). If your vehicle is not running smoothly, misfiring, showing high fuel consumption. If your vehicle is smoking via the exhaust or you are planning a long journey, we recommend the RAC Gold service for peace of mind.
